## “HOW WOULD JESUS LEAD WORSHIP?”

**A six week course in leading musical worship for the local church, inspired by the life of Jesus. Autumn term 2018.**

They have also worked for two churches, taught in the London School of Theology worship department, and served at events such as Spring Harvest and Youthwork Summit.

**Costs:** £30 for six sessions - book before 20th July and save £5! Includes drinks and learning materials.
